

Dear Sir/Madam,

In the present scenario, education has come to be a complex interplay of multiple factors and is abuzz with ceaseless activities. This festival is a perfect place for children to unwind their talents in an unfettered manner to their optimal degree of performance. The 3-day festival from 27th to 29th August 2004 would be held at Kamani Auditorium, New Delhi. We have performers from various countries in this festival .Last year we had participation from Australia , Portugal ,Nepal , Bangladesh ,Sri Lanka ,Poland ,Russia and India

Theatre plays an important role in the overall development. It is here that the vibrant, warm and loving qualities can find illustrations and expression, thus helping to charter a new course.

The Festival is hosted and funded by Ryan International Schools founded in 1991 by the St. Xavier's Group of Schools, who already have a successful track record in imparting quality education since 1976. The group owes its success to the excellent team created by the Founder-Chairman Dr. A. F. Pinto.
